City Attorney Raps Key Service Cut on 'G' Line

City Attorney Robert J. Foley told the Albany City Council last night that Key System's "G" bus line operating between San Francisco and Solano Ave. should not be made the keystone in an economy campaign.

"It is clear . . . that the 'G' line bus should not alone be cut out as a subject for service cuts in the off-peak hours," Foley said.

"The request of the Council, conducted a survey on the operation on the 'G' line, the Berkeley line and the 'F' line," said Foley. "It must be assumed," Foley added, "that the 'H' line operation and probably every other line are troubled with diminishing patronage during those same off-peak hours."

"Furthermore, until such time as full and complete cost of operation data, with detailed analysis of those costs, covering recent months as well as past years, are available for examination and study in conjunction with complete revenue figures for all lines, it will be impossible to draw any businesslike conclusions."

Key System notified the city last month that direct service on the line between the hours 8:15 a.m. and 3:50 p.m. would be replaced by shuttle buses which would make connections with the "C" train in Oakland. A hearing on the proposed service cut is now pending with the State Public Utilities Commission.

STANLEY C. WILLIAMS — Born May 7, 1899 — Died June 10, 1954

Ex-Police Chief Stanley C. Williams Succumbs to Heart Attack at Home

Former Police Chief Stanley C. Williams, who retired from office on May 1 after 30 years of law enforcement with the City of Albany, today is dead of a heart attack. He was 55 on May 7.

The newly-retired chief suffered a heart attack two weeks ago and was hospitalized for six days, but had been released last week to return to his home at 1220 Brighton Ave. He was permitted out of bed Monday, and had received visitors for the first time on Wednesday. The fatal attack came suddenly Thursday at 2:22 p.m. during the short absence of his wife, Betty, who was shopping at a neighborhood grocery store. Mrs. Williams found her husband slumped on the bed on her return from the store.

Funeral services are scheduled for 10 a.m. Monday at the Ellis-Olson Mortuary, 727 San Pablo Ave. Committal will be at Sunset Mausoleum under auspices of Albany Lodge No. 686, F & A M.

Chief and Mrs. Williams were planning to leave around June 20 for an extended vacation in Alaska, but had cancelled the trip early this week because of his recent illness. Instead, they were looking forward to a vacation later in the summer at some of their favorite fishing spots in Northern California. Both the Chief and Mrs. Williams are widely known for their love of hunting and fishing and the outdoor sports. They were married in 1943.

A native of Jackson, Chief Williams started his work with the Albany Police Department on May 1, 1924, when he was appointed deputy marshal, before organization of the present department.

Williams was appointed chief of police in February, 1943, and was elected to the post in 1946 and 1950. He served as sergeant and inspector from 1938 to 1943.

A veteran of World War I, Chief Williams was a charter member of

Albany Post No. 292, American Legion; past president of Albany Exchange Club and a member of Albany Eagles. He was active for many years in the Albany Masonic lodge, Eastern Star, Albany Fideis Shrine, Scottish Rite Consistory, Aahmes Temple Shrine in Oakland, and held a life membership in the

Shrine Hospital for Crippled Children. He was especially known throughout the state for his clean police department and his work as a member in the International Chief's of Police, State Peace Officers Association and the Bay County Peace Officers Association.

Several outstanding attractions today have been booked to appear in Albany's "bigger than ever" Independence Day Parade on Monday, July 5.

The list of entries is growing each day as the ninth annual event draws near, according to General Chairman Emmett Devine.

Among the many entries to date include the famous San Lorenzo Strutters, a majorette group which has taken 25 first prizes during the past two years. The Gentlemen of the Moose marching unit which proved so popular in last year's parade will return again to compete for the hundreds of dollars to be awarded in cash prizes.

The Albany VFW is planning a unique parade entry honoring local Gold Star Mothers, and Albany's Senior Citizens will ride on an old-time wagon pulled by a team of horses.

Harold's Club in Reno has notified the parade committee that it will send its 1897 Rambled horseless carriage and new Silver Dollar Car.

First and second place prizes will be awarded to winners of the following classifications:

Marching units, drum and bugle corps, drill teams, both men and women, bands, comical groups, floats, commercial floats, majorette groups, individual majorettes, uniformed mounted groups, individual horseman; silver matched pair and parade horses.

Judging of entries will be handled by the All-American Association of Contest Judges. Entry blanks for individuals or groups who wish to participate may be obtained by calling the Albany Recreation Department, 850 Masonic Ave., Land. 5-5704.

Following the parade, a special program of activities has been planned for all ages. Baseball games, folk dancing and various athletic games and contests will be held throughout the day at Memorial Park.

ST. ALBAN'S CHURCH

On Trinity Sunday at St. Alban's Episcopal Church, the Rev. John H. Blackledge will speak on the topic, "Keeping Your Sights on Heaven" at the 11 a.m. service. The coffee hour, which usually follows the morning service, will be disposed with so that the congregation can go directly to Codornices Park for the all-church picnic at 1 p.m.
